

Welcome to Your Own Funeral

Sky high above
Dark falling rain
Hope has been severed
Welcome to your own funeral
The end of your days
A long nightmare
Bound to the shades
A heinous crime
It's all at stake
War, you're always in pain (Say my name)
I'll desecrate
Your very grave
As I watch you grow cold inside. Amen, (Everything is a lie... everything is a lie)
Forsaken by God
Shattered, insane
Smothered forever
Welcome to your own funeral
It's all you've earned
You have been spurned
For eternity
A heinous crime
It's all at stake
War, you're always in pain (Say my name)

Welcome to Your Own Funeral

I'll desecrate
Your filthy grave
As I watch you grow cold inside, Amen, (Everything is a lie... everything is a lie)
You're mine to take
For reasons you'll never know
No, no, no
You're mine to take
For reasons you'll never know
